

# THE MEAN GREEN ICE CREAM MACHINE

The Mean Green Ice Cream Machine started out as an original white 1975 Chevy International Good Humor ice cream truck. The vehicle had seen better days from the many years of service delivering ice cream. The truck was stripped down, repainted in a bright green paint and customized graphics added. The truck then continued its transformation with custom hydraulics installed along with a powerful sound system, custom rims, green neon and other features.

In 2012, another overhaul transformed the 'Machine' into an urban rolling dessert 'Machine' serving desserts including many chocolate covered treats, ice cream sandwiches & more.

The Mean Green Ice Cream Machine is popular at Car Shows, Festivals, Corporate Events, Grand Openings, School Fairs and more! Contact us today to find out about our schedule and rates to make your event memorable!
